Free Masonry Making Good Men Better

January 6, 2011

GREETINGS....FROM THE EAST.....

Brothers,

As I sat down to write this my first message from the East...I asked myself, "now just where do I begin?" By saying thanks to all of you that had confidence to vote me to the East, by saying how humbling it is to sit in the chair that so many great men have done before me, or to express how excited I am about the future of Bailey Lodge. All of these hold value to me. Moving forward with the great team of officers, we are planning some new and beneficial things this year; from rebuilding our finances back to an acceptable amount, and to combine more efforts with our Ladies in the Eastern Star.

If you have not had a chance to check the first change of the year, please take a look at our new web site, baileylodge146.org, thanks to Jason Clark at Web Design Upstate for helping in this task, free of charge. As we took on the challenge of creating this, one thing that most Brothers ask for was a better calendar. Our new calendar has all the information that you need to be kept abreast of the events of Bailey Lodge. Just click on any event in the calendar and it will pop up all the details.

As good masons I believe we should challenge to improve ourselves to our God, our Family, our country, our neighbors and ourselves and try and remember and apply the obligations we took at the altar. If we can do this we can make a difference in everything we touch in the most positive way. Faith, hope and charity is what we are taught, let us practice this in every aspect of our daily lives and be the good Masons that we were charged to be as Entered Apprentice.

Brethren, I now challenge each of you, if you have not been a part of your Lodge in a while, please stop by and join what is going on this year at Bailey Lodge.

Fraternally,

Chuck Solesbee WM
