GREETINGS...FROM THE EAST...

Brothers, I want thank everyone for their support so far this year. The Centennial Rebuilding is getting off to a good start. We do need every-one's contribution for the success of this.

Giving you an update on the "No Text and Driving" project, it is taking off like wild fire. I have been asked to visit many of the area Lodges, both them and the schools I have visit have welcome it with open arms. We should have everything in place for the students in the Greer area to have an opportunity to sign our no texting pledge by the end April, with others to follow. Please keep this in your daily devotion; this may just save a life of someone you love.

I am happy to announce that we have joined forces with Cooper and Tyger Lodges for a tri-Lodge Degree. Starting Monday night, March 7<sup>th</sup> at 6:30, we will have four candidates. We will continue with this all the though them getting their Master Mason degree. Next month we will have the second at Bailey Lodge, and finishing up their third at Tyger Lodge in May. We are heading into Spring and Summer with excitement and momentum, getting ready for our next project, the 1<sup>st</sup> Fireworks sale at Bailey Lodge for a fund raiser. This is a big one that promises to be very rewarding for our Lodge. We will need more support for this than usual, whether it be working the booth or buying your fireworks to celebrate the birthday of our great Nation.

If you have not been involved in Masonry in a bit, now is your time, we have a place for you in all that is going at your Lodge. Come and help us may a difference in our community.

Fraternally,  
Chuck Solesbee WM

**The Centennial Rebuilding**

Brothers we have all made a commitment to help our fellow man as long as it causes no material injury to ourselves or family. The need we are facing now is our Lodge. Brothers we for the decade or more have drawn from our funds to take care of normal maintenance of the building and grounds. No one has stepped up to address this. If the Lodge continues down this path it's future is gray. What we as the finance committee have put together, is that every Brother that will, would please send \$100 over the next ten months. It can be all at one time, or ten dollars a month, or any other way that will fit into your budget. In November at our awards celebration we will present a plague with everyone's name on it that contributed. These funds, every dollar will be used to restore our reserve that we have depleted. If you have any questions about this, please feel free to contact any of your elected officers. Your Finance committee for 2011

**Letter from Worthy Matron**

The year is winding to a close for Greer's current slate of officers. A brand new slate of hard working people will take over in April and we would like to invite you to join the team! Come meet us for dinner at 6:30pm before our regular meeting. Find out what OES is about and see if you are interested. We would love to have you as a new member!

When I was a Rainbow girl, at least a year or two ago J , the OES and the Mason's spent a lot of time on fundraisers and projects together. We would like to see that happen again. Let's team up and see what we can really do in the community. We can make a difference! Let's extend this year of "Helping Others" and become known in the area as a fraternal group dedicated to charity for those in need.
